You have recently finished watching the last season of a popular TV series. You have come across this review on a blog which you completely disagree with.

"This show is another one of those "con" jobs. Sorry, folks, but I found this show just plain lousy. It's depressing. It's glacially slow..... Almost all the characters are uninteresting, unlikable, and unsympathetic. I disliked every single character on the show.... In short, this show was torture to watch. Sadly, the premise is good. It could have been a good show. The story idea was there. But it is just written so poorly-unlikable protagonists, clichéd bad guys and a story that moves at a snail's pace." TruAim
